PROFESSIONAL SUMMARY

Advanced Computer Engineering student and Civil Engineer transitioning into the IT sector. Strong analytical background with hands-on experience designing, developing, and deploying web applications using Django and Linux-based environments. Motivated to contribute to backend or full-stack teams.

EDUCATION

National University of La Plata (UNLP)   *La Plata, Argentina*
B.S. in Computer Engineering   Mar 2024 – Present

- **GPA:** 8.72 / 10.
- **Progress:** Approximately 70%

National University of La Plata (UNLP)   *La Plata, Argentina*
B.S. in Civil Engineering   Mar 2018 – May 2023

- **GPA:** 8.48 / 10 (Graduated).

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, C, SQL, Shell Scripting (Bash), VHDL.
- **Frameworks & Web:** Django, Django REST Framework, HTML, CSS, Bootstrap.
- **Tools & Platforms:** Git, GitHub, Linux, Power BI, Excel, AutoCAD, VS Code, IntelliJ, Trello.
- **Methodologies:** Agile Methodologies (Scrum, XP).

PROJECTS

Fulbo App – Amateur Football Match Management Platform   Live App

- **Role:** Full-stack developer (personal project).
- **Backend:** Python, Django, Django REST Framework, SQLite (relational data modeling for leagues, teams, players, and matches).
- **Frontend:** HTML5, CSS3, Bootstrap 5, JavaScript for responsive and user-friendly interfaces.
- **Infrastructure:** Deployed on a local Linux server (Raspberry Pi) with dynamic DNS, SSH, and Git-based workflow.

CERTIFICATIONS & COURSES

- **Python Programming** – CoderHouse (Jan 2024).
- **Data Analytics Flex (SQL & Power BI)** – CoderHouse (Aug 2023).

PROFESSIONAL EXPERIENCE

Ocsa S.A. – Pelque S.A. UT   *La Plata, Argentina*
Technical Office   Mar 2023 – Mar 2024

- Oversaw project planning, budgeting, and cost control for large-scale infrastructure projects.
- Coordinated with subcontractors, ensuring adherence to deadlines and technical specifications.
- Performed data analysis for price updates, progress certifications, and reporting to senior management.

LANGUAGES

- **English:** Professional Proficiency (B2 – First Certificate).
- **Spanish:** Native.

AWARDS

- **Construction Scholarship (2022):** Awarded by CAMARCO for academic merit in Civil Engineering.
